

Announcement Regarding Corporate Membership Arrangements for 2022

Dear Members,

"The Society of Electrical, Electronics, and Energy Engineers in Israel" invites companies, factories, and institutions to join our corporate membership and enjoy the benefits we offer. Here are a few examples of benefits our members can enjoy: a professional platform to advertise your company, special offers reserved for corporate members and their employees only, the option to add more members for a reduced fee, etc.

The year 2021 was challenging due to the outbreak of covid worldwide, which required us to make swift alterations in our professional enterprise to adapt to the challenging circumstances. Nevertheless, during this challenging time, we successfully carried out 8 conventions and seminars, 20 courses, and workshops on top of 60 online webinars in different fields of electrical engineering. An outstanding number of 7,700 members participated in our association's activities in 2021. Our main event, the Electricity and Energy Conference 2021 included 170 lectures and 75 companies exhibited their latest innovations to a multitude of 1820 participants, who participated in this event.

In the upcoming year plan, we thrive to continue and expand the scale of our enterprise, which will include more than 110 events, and 60 professional sessions free of charge, exclusively for members. Attached is a program of activities for 2022.

Now our request is to arrange your corporate membership for the year 2022. If you already registered as a corporate member of our Association, we kindly ask you to make sure that you renewed your membership at your earliest availability.

Our Corporate membership offers a variety of benefits for our members, as presented in the following list:

- Assisting corporate companies to advertise their: products, innovations, and projects.
- We will prioritize you in our engineering and business initiatives, and even create personalized events for our corporate members.
- Assistance in recruiting suitable professional personnel.
- We have dedicated training and instruction for corporate employees at special prices.
- Publication of the corporation profile and logo on the association's website.

- Publicity article about your company in the association's professional magazine.
- Discount on membership fee (few members can be listed as free of charge, depending on the type of membership, for more information please check the table below)
- Be part of our community and maintain a continuous connection with our professional engineering community.

5	3	2	1	Number of participants from the company who can take part in webinars for free (employees who are not registered as members of the association)

We thank you for joining over 50 corporate companies in "The Society of Electrical, Electronics, and Energy engineers' in Israel". Also, we are grateful for the trust you placed in us, to let your professional staff be part of our association, which today includes more than 4,600 members, who joined from more than 800 different workplaces.

Please fill in the attached membership form and send it to us via email or fax: 03-6134117.

* Corporate companies that register their employees in the association should arrange the payment in a collective manner for their annual membership.

According to the terms and conditions of the association, only certified engineers and practical engineers can be part of the association (members of departments only). Each member is asked to fill out a membership form.

The membership fee for 2022 can be paid by: bank transfer, bank check, or credit card.

If you pay by a bank check, please write in pay to the order of section to **The Association of Electrical, Electronics and Energy Engineers in Israel**. Please send the check with the attached form to the address down below.

If you pay by credit card, please fill in the following information and send it, via fax to the association number: 03-6134117.
